# ABOUT US

## Barakuda Freightliners

is a privately owned South African transport and logistics company, established in 2019 which is based in Durban, Kwa-Zulu Natal. The company offers container freight solutions serving multiple clients in various depots across KZN.

Barakuda Freightliners is amongst the fastest growing transport and warehousing company, thus being the ideal company that caters for container storage and forwarding within the busiest hubspots today.

With over 20 years industry experience, we at Barakuda Freightliners are extremely proud to be associated with some of the key global partners from around the world. At Barakuda Freightliners we become a part of our clients business and strive to seek the best suited options to ensure bookings and appointments are met using technology systems that's controlled by experienced key staff members who also plays a vital roll in our organization. We provide comprehensive digital reports and constant tracking support on a timely basis, keeping a meticulous and systematic approach to our daily operations.

We pride ourselves in being more than just a business. As a proudly South African company, we take our social responsibility seriously. We are a Level 1 B-BBEE Company with a 100% Black Ownership Designation.

We are simply passionate about what we do!...

# SERVICES

We offer transportation of dry containers and reefers in and around Kwa-Zulu Natal. Our company has a fleet of 15 ultra-heavy vehicles with triaxle trailers equipped with gensets operated by a team of highly qualified code 14 drivers. We operate on a 24/7 basis so as to afford our clients attention whenever they may need. We also pre-advise containers to take into terminals and we are Hazchem approved.

Our warehousing facilities offer a broad spectrum of services including cross-docking, break-bulk, storage, handling as well as an integrated warehouse container management systems. At Barakuda Freightliners, we thrive on building lasting relationships with our clients and we also create the link on new partnerships through our Brokerage Service that we offer at fairly competitive rates.

Whether it be procurement, storage or distribution, our dedicated team will firstly understand your unique challenges and thereafter continuously develop improved, personalised logistics solutions for your business. We exist to reduce any hassle and complications so that our clients can focus on growing their business.
